10 **PLAINTIFF DEMAND COURT TRIAL**
11 **WHICH SCHEUDLED ON MAY 28, 2024.**
12 **TO PURSUE CITIZEN'S EQUAL RIGHT**
13 **IN FAIR DUE PROCESS UNDER**

15 CITY OF NEWPORT BEACH

JUDGE: Honorable, Fred W. Slaughter

16 Defendant. vs.

DEPT: 10D

17 KEITH E. RODERHUIS, 2nd Defendant

DATE: May 28, 2024

18 KER is the owner of KER Legal Group.

TIME: 8:30AM

19 To: The Honorable Judge Slaughter for the United Sates

20 To: Federal Court and both Defendants

21 I, Plaintiff, Yaxian Fan Respect in trust the Federal Court has been ongoing to
22 following the schedule, that within both parties agreed the Court Trial on May 28, 2024.

23 Plaintiff in more than five-year with non-stop legal actions, from Orange County
24 Superior Court to the Federal Court, only for one purpose with hope in one day, can stand
up, with Citizen's Civil Right in the equal due process for fair trial. But for that basic
equal right and hope, it is the most difficult to have in my life.

25 Because Defendants, especially, KER committed fraudulent corruption with
26 Supervisor Secours (twice to hold onto opposition documents) and Judge George once in
27 five minutes, to granted summary judgement by verbally, and once signed on KER's
28 proposed order, without opposition summary judgement document and oral argument.

1 Both parties had arguments to assign Judge Salter, it was why he scheduled trial
2 from January 26, 2021 to March 29, 2021. Nothing argument to Judge George, but she
3 was in five minutes to granted summary judgement by verbally. Also, after 90 days, she
4 untimely signed KER Propose judgement without opposition documents, oral argument.

5 "Two judges, who was errored? Let high court to decided. "That from president
6 Judge of OCSC. For that reason, the motion within bench trial is the must going on.

7 KER operate the corruption team, work as chin, one after another, use new lies to
8 cover up old lies, together for one purpose to deprive Plaintiff's Civil Right for fair trial.

9 Plaintiff's Citizen's duty is not only to protect the Children's Safety, also, must
10 stand up to fight corruptions in judicial system, to prevent virus spread out widely.

11 Therefore, I feel should of mine is getting heavier, my duties are going on.

12 Defendant the City still has not added warning signs to the hazard that caused
13 Plaintiff's injury, and intent leaves risk in public park when children jump up down.
14 When I have time, I thinking about children over there, really getting worries so much.

15 The Due Process Clause of the Fourteenth Amendment is states that no person
16 shall be "deprived of life, liberty, or property without fair procedures in due process of
17 law." Plaintiff determine to pursuant the fair trial, that scheduled on May 28, 2024.

19
20 I declare under the penalty of perjury under the laws of the united State that
21 foregoing is true and correct.

23 **Respectfully and Truthfully Submitted**
